MEMORANDUM FOR: RADM John L. Butts, USN  
Director of Naval Intelligence

SUBJECT: Joint National Intelligence Dissemination  
System (JNIDS) ☐

25X1

1. The Deputy Director of Central Intelligence has accepted your proposal to expand the JNIDS project into a broad umbrella program to support a select number of national intelligence support to tactical commanders' operational demonstrations. ☐

25X1

2. You are requested to develop a preliminary program plan for those specific commanders identified by General Williams for the Chairman, Joint Chiefs of Staff, with sufficient detail as to scope and objectives in order to establish costs and schedule. The plans should take advantage of recent efforts as well as ongoing programs without impacting on any approved active project. ☐

25X1

3. I would like to review your proposal for developing this expanded program by 1 December 1982, and the formal plan by 1 February 1983. ☐
